CHILD CARE INFORMATION

A bilingual, publicly funded information and referral service which maintains a comprehensive inventory of available child care options in Ottawa, counsels families on their child care choices and works closely with the community in the development of needed support services. Child Care Information also manages the Centralized Waiting List for all the licensed child care centres and home child care programs in the City of Ottawa.

Child Care Information offers a range of services and products, including:

- on-site and telephone **information and referral** service on child care options and issues
- a **Centralized Waiting List** for Licensed Child Care Services in Ottawa
- **customized information** generated by data collected by CCI
- an **on-site resource centre** with written information on child care options
- **community outreach**, providing information and guidance on child care
- information sessions and **workshops** on child care choices
- a series of **four bilingual publications** on child care issues and options (see order form at the back of the guide)

Children's Integration Support Services (CISS)

Children's Integration Support Services (CISS) is a bilingual service that provides support to licensed nursery schools, child care centres and home child care agencies that integrate children with special needs, between 6 weeks to 10 years of age, within the City of Ottawa.

The range of support services can include but are not limited to:

- *Integration Advisors* who facilitate the development of functional Team Service Plans using a case conference approach and offer ongoing consultative and training support to child care programs.
- *Training* opportunities for individuals involved with children who have special needs, parents/guardians and the community.
- *Enhanced Staff Support Funding* to support a child care program in hiring a program assistant. This support is based on the specific needs of the child and of the child care program.
- *Behaviour Management Consultants* who provide support in collaboration with the Integration Advisors to staff in child care programs to assist in the development of skills to meet the challenging behavioural needs of children.
- Access to a variety of resources including: equipment, materials, books, videos, disability awareness kits, and toys to child care programs and parents/guardians.

Parents/guardians are encouraged to visit child care programs of their choice to discuss enrolment possibilities and to speak with staff at Children's Integration Support Services as soon as they begin to explore the various child care options. In order to access supports through CISS, children must meet the eligibility criteria.

Services d'intégration pour jeunes enfants (SIJE)

Les Services d'intégration pour jeunes enfants (SIJE) offrent des services de soutien aux programmes de prématernelles, aux centres éducatifs et aux agences de garde d'enfants à domicile agréés qui intègrent des enfants ayant des besoins spéciaux, âgés de 6 semaines à 10 ans, dans la Ville d'Ottawa.

Les mécanismes de soutien comprennent, mais ne se limitent pas à:

- Des *Conseillères en intégration* facilitent le développement des plans de service fonctionnels par l'entremise d'une conférence de cas et offre des consultations et de la formation pour appuyer les services de garde.
- Des possibilités de *formation* pour le personnel qui travaille avec des enfants ayant des besoins spéciaux, les parents/tuteurs et la communauté.
- Des *fonds d'enrichissement d'appui au personnel* peuvent être alloués aux services de garde pour faire l'embauche d'un(e) auxiliaire de programme. Cet appui se base sur les besoins spécifiques de l'enfant et du service de garde.
- Une *Consultante en gestion de comportement* qui offre de l'appui, en collaboration avec les Conseillères en intégration, au personnel des services de garde pour développer et appuyer leurs aptitudes par rapport aux défis de la gestion de comportement des enfants.
- L'accès à une variété de ressources telles que : équipement, vidéos, trousse de sensibilisation aux handicaps, livres, revues, articles et autres ressources aux services de garde et aux parents/tuteurs.

Les parents/tuteurs sont encouragés à visiter les services de garde de leur choix afin de discuter de la possibilité d'inscription. Il est fortement recommandé de parler à un membre du personnel des Services d'intégration pour jeunes enfants aussitôt que vous explorez différentes options de services de garde. Pour avoir accès aux services des SIJE, l'enfant doit répondre aux critères d'admissibilité.

Licensed Child Care Centre/Centre éducatif agréé

Child Care Centres are non-residential facilities licensed to serve children of varying ages in a group setting. Provincial licensing ensures minimum standards of care. Centre-based care is offered through public organizations, and through private for-profit or non-profit agencies.

Un centre éducatif agréé est un établissement non résidentiel autorisé à servir des groupes d'enfants d'âges variables. Une loi provinciale établit les normes minimales de soins. Ce type de services de garde est offert par des organismes publics et des agences privées, à but lucratif ou non.

Licensed Home Child Care/Garde d'enfants à domicile agréée

Licensed Home Child Care agencies serve families through the provision of monitored, flexible child care arrangements in the homes of providers. Agencies ensure that all providers meet the requirements of provincial legislation as well as local fire, safety and health requirements. Care is offered to children from infancy through to 12 years of age.

Une agence agréée de garde d'enfants à domicile offre aux familles des services de garde flexibles et supervisés aux domiciles des responsables de garde. Les agences s'assurent que les responsables satisfont aux normes prescrites par la loi provinciale, aux exigences de santé et de sécurité, et aux consignes locales en cas d'incendie.

Subsidy Option/Subventions potentielles

Generally, child care costs are the responsibility of the parents. Subsidies may be available to qualifying families living in Ottawa who require financial assistance in order to help them with licensed child care expenses. For additional information, visit the following website:

Part Time Option/Possibilité de temps partiel

For younger children, part-time child care usually represents a few full days of care a week required on a regular basis. Limited child care services provide half-day child care required on a regular basis.

For children attending school, part-time child care EITHER represents before and after school A FEW DAYS A WEEK or the option of before OR after school care on a regular basis.

Pour les enfants plus jeunes, « temps partiel » signifie habituellement quelques journées complètes de garde par semaine sur une base régulière. Un nombre limité de services de garde offre quelques demi-journées par semaine sur une base régulière.

Pour les enfants d'âge scolaire, « temps partiel » peut désigner un service de garde avant et après les heures d'école QUELQUES JOURS PAR SEMAINE, ou un service avant OU après les heures d'école.

Irregular Hours/Heures irrégulières

Irregular service would include: extended hours (additional hours of child care outside of the ordinary hours of service), respite care within typical operating hours (7:00 AM – 6:00 PM) weeknight/weekend care, shift work schedules, etc. *Please note that home child care tends to have more room for flexibility than child care centres, depending on a provider's availability.*

Heures irrégulières désignent un service de garde qui s'adapte aux horaires de travail prolongés (heures de services de garde supplémentaires, en dehors des heures habituelles), aux demandes de services pour avoir un répit pendant les heures d'ouverture habituelles (de 7h à 18h), aux demandes en soirée et/ou durant la fin de semaine, aux horaires par roulement, etc.

Veillez noter que les services de garde d'enfants à domicile ont généralement des horaires plus flexibles que les centres éducatifs, en fonction de la disponibilité des responsables de garde.

Drop-In & Emergency Care/Garde occasionnelle & Garde d'urgence

A few centres will accept children on a drop-in and/or emergency basis whenever there is availability in their program.

Selon leur disponibilité, quelques centres acceptent des enfants de façon occasionnelle et/ou en cas d'urgence.
